## ABOUT ETHAN'S HOPE

Ethan Ryan Ledger was born 14 weeks premature and fought bravely for 33 days, inspiring his parents to start the Ethan's Hope Foundation.

The NICU journey is emotionally taxing for families, with endless hurdles to navigate. Ethan's Hope aims to ease this burden by covering various financial needs for NICU families, from lodging to medical supplies.

To support this cause, consider joining the Ethan's Hope Memorial Golf Tournament—a fundraiser designed to bring hope and financial relief to those navigating the NICU experience.
